TOTAL 30 Semester hours

A minimum of 30 semester hours are required for the Ed.S. degree. If the candidate has already met the requirements for EDIT 6360, 6400, and 6900, then elective courses are to be taken in their place.

Assumes the individual currently holds a valid Georgia teaching certificate and has had at least one course each in children's or young adult literature, fundamentals of curriculum or curriculum planning, and exceptional children. Candidates seeking certification are advised to check with the Georgia State Department of Education for more information about certification requirements. **NOTE:** EDIT 6320 replaces EIT 724; EDIT 6360 replaces EIT 704.

Student will complete the College of Education diversity requirement by:

completing all required courses other (explain) _____

Program of Study should be filed with the Graduate School when the student has completed 9-12 semester credits.

Date on which Program of Study was filed

Students must apply for graduation in Room 552 of the Graduate School. Call 542-4803 for the deadline (this usually falls at the start of the semester prior to the semester in which the student would graduate).

Applied Project Notes:

- You must be registered for at least 3 semester hours in the semester in which you submit your applied project for examination. You must also be registered for at least 3 semester hours in the semester in which you plan to graduate.
- You must register your intent to present your applied project by the end of the third week of the semester with the Department Secretary in Aderhold Room 604.
- You must submit your completed applied project for departmental review no later than the end of the eighth week of the semester.
- Your applied project presentation may be scheduled to take place no less than two weeks after the completed written report has been submitted to your major advisor, and up to the date of the last class of the semester.
